products and accessories

espresso machine cleaning solution

Cino Cleano® Cleaning Solution is designed to clean old coffee oils, milk deposits and remove scale from your espresso machine. Regular use will keep your machine performing at it's best and producing great coffee everytime.

espresso machine liquid descaler

Cino Cleano® Liquid Descaler will safely descale (decalcify) your espresso machine.

milk frother cleaner & sanitiser

Cino Cleano® Milk Frother Cleaner & Sanitiser is designed to clean automatic milk frothers on espresso machines. It removes dried and stale milk from your espresso machine.

espresso machine backflush cleaner

Cino Cleano® Espresso Machine Backflush Cleaner is designed to clean 3-way valve espresso machines. It will ensure your Espresso Machine is always clean and running to its optimum efficiency, producing fabulous coffee, day in, day out.

microfibre cloth

green, pink, yellow, blue

Microfibre cloths are of the highest quality with a unique weave of exceptionally fine yet incredibly strong polyester and polyimide. The quality of the fibre and the type of weave used allows the cloth to outperform traditional microfibre cloths.

knock box

The Grindenstein knock box is stylish and attractive, but also extremely practical. The Grindenstein was designed with the home user in mind, dishwasher safe, compact for space saving storage, extremely durable.

milk thermometer

A great way to get the perfect milk temperature. With an easy to read dial, the Cino Cleano® thermometer will ensure consistency in the temperature of your milk.

stainless milk jug

Purpose designed for making perfect cappuccino and latte's.

stainless chocolate shaker

Fine Mesh Stainless steel chocolate shaker to add the perfect finishing touch to a cappuccino.

stainless coffee stencils

Great coffee is not only about wonderful tasting coffee but presentation, using your chocolate shaker and these great stencils you will create the 'wow' factor for your coffee.

tamper mat

A hard wearing stain proof tamper mat, it prevents scratching of benches or surfaces. Detergent and dishwasher safe.

cleaning brush

For cleaning coffee residues from espresso machine group heads, parts and utensils.
